## MORNING MEETING ACTION ITEM

TO: DD/I
D/OCI
SAVA

Godfrey noted radio and press reports concerning the ChiCom claim that the Soviets have intruded into the Tieh-Lieh-Ko-Ti area and pointed to the requirement to update the Director's briefing on China accordingly. He added that the briefing changes will be cabled

25X1

Later in the meeting Carver noted that the Vietnam SitRep was sent to San Clemente and that it appears Ron Ziegler drew upon its contents to brief on the situation in Vietnam. Carver asked whether the Director would like the SitRep to be cabled to him, and the Director asked that all relevant material be assembled in Godfrey's office, where decisions can be reached on what material warrants transmission.
